

40TH ANNI^{VERSARY} *Tierra del Sol*

Celebrating 40 years of transforming challenges into bright opportunities

Each and every human life has value and meaning. Regardless of disability, each person has the right to develop the potential to lead a full, productive and personally meaningful life. Living with a disability only strengthens the desire to be as productive and independent as possible. At Tierra del Sol we honor the motivation of our clients to become valued contributors.

We offer a variety of educational opportunities for each of our clients to discover their own unique talents and abilities to contribute to their community and their family.

Most importantly, we believe our community is stronger when all of its members are valued and appreciated. All of Tierra del Sol's services and programs are dedicated to fulfilling this vision.
